

A Baby Has Arrived!

On April 6 2018 Mary Ann and her husband welcomed their little girl into the world. Her name is Heira Samantha, weighing in at 6lbs 2oz. Everyone is in great shape and doing well. Hopefully we will be receiving many pictures and perhaps a visit or 2 while Mary Ann is away. The ICDC family wishes the family a huge congratulations!

Parent Teacher Conferences

Thank you to everyone who attended and participated in our Spring parent teacher night. We had an excellent turn out. We hope families gained some insight into their child(s) daily activities and development.

Update and Re-Registration Forms

Parents please remember that your file update form

(yellow) and vacation/re-registration form (green) that were distributed to all ICDC parents that attended Parent/Teacher conferences are now DUE. Please ensure these forms are returned to ICDC no later than April 11th, 2018 (Wednesday). Please make sure to return these forms to ensure continued care for your child(ren). Thank you for your cooperation!

Outdoor Weather Policy and Procedures

For those of you who are unsure/ unaware here is ICDC's Outdoor Weather Policy: In the event that the temperature goes above +28 or below -15 (including wind chill), to ensure the safety of the children, children will not be going outside. All children must wear appropriate clothing daily: winter clothing includes snow pants, snow boots, warm winter jacket, hat, and waterproof/ resistant mittens (scarves are NOT permitted). Summer clothing includes wide brimmed summer hat, closed toed shoes, sunscreen (no aerosol products) NO flipflops. All the educators check the weather frequently using sites like acu weather and the

Weather Network to check the temperature based on our location. Educators must always take the safety of the children into consideration so if it is too icy, windy, wet etc. the children might not go outside. Please also remember that sometimes we have instances where we are not able to get outside such as events, staffing and ratios.

Spring Outdoor Clothing

April showers bring ... May flowers??

This Spring appears a little delayed, however we want to remind our families about seasonal outdoor clothing. With the spring like weather we are hopefully going to be enjoying please ensure your child has the following items at ICDC daily:

Splash pants, rain boots, spring weight jacket, sweater (for layering), sunhat, appropriate outdoor shoes (when the snow is gone), sunscreen. Please ensure you have taken note of the expiry

date on your child's sunscreen. Expired sunscreen is not permitted on site and will be sent home for replacement as required by expiry date. This is a health inspection policy that we must follow.

Welcome Lila (Room 3)

With Mary Ann away on Maternity leave we welcome our new Room 3 Educator Lila. Lila is originally from Nepal. She has been working in the ECE field for the past 5 years. Lila has an 11 year old daughter and a 2 year old son (who has also joined us at ICDC). Take some time to pop by and introduce yourself to Lila.

Did You Know?

Some companies will match charitable donations. As a registered charity ICDC can receive these donations. This is great for our centre and for you (especially around tax season). Check with your employer to see if they match charitable donations!
