

The May flowers and leaves on the trees the children have been looking for should be popping up this month. Take a moment with your child to investigate the world outside your backdoor and how new life is present in your world.

New and Changed Educators

In April our Educator in Room 1 Vera moved on from ICDC. To replace her we have placed Jessica as the new permanent educator in Room 1 with BibiSarah.

As of May 1 we also welcome a new educator in Room 5 with Amy. Joy will be joining Amy as an educator so that Sarah is able to fulfill her duties as the Pedagogical Team Leader within the centre. Joy is originally from South Korea and came to Canada 7 years ago. She has worked in the field of ECE for 3 years. Please take some time to say hello and welcome Joy to the ICDC community.

Spring Outdoor Clothing

With the spring like weather we are hopefully going to be enjoying daily in the coming weeks please ensure your child has the following items at ICDC daily:

Splash pants, spring weight jacket, sweater (for layering), sunhat, appropriate outdoor shoes, sunscreen. Please ensure you have taken note of the expiry date on your child's sunscreen. Expired sunscreen is not permitted on site and will be sent home for replacement as required by expiry date. This is a health inspection policy so please take note as we will be required to enforce this policy with no exceptions.

Summer Holidays

Parents if you have not already please get your vacation schedules into your child(ren)'s educators ASAP. We have

many educators that take holidays during the summer and we need to make sure we are staffed accordingly. This requires your assistance in letting us know whether or not your child(ren) will be taking summer holidays and when. Thank you for your cooperation.

Late Arrivals

With the warmer weather, parents are often bringing children into school later than we might normally see their child. As we enjoy neighbourhood walks and spontaneous community activities, we would like to request that parents phone into the school any morning when your child will be arriving after 9:30am. With this call-in we will be able to direct you to where we might be in the community or whose class your child might join until we return from our adventures. Again, please call only if you will be dropping you child off after 9:30am.
