

This is our last month of regular programming. The year has truly flown by! As the school year winds down, ICDC will be moving to a more relaxed summer programming phase for the months of July and August. This month's newsletter will provide all the details to ensure all parents are aware of the changing schedules and need for additional items on site.

With the end of the school year in sight, we will finish the year on a high note with our annual Heather Hansen Carnival of Laughter on Friday, June 22nd. The carnival will begin at 9:30am and end at 11:30am. This year we are going in a different direction, instead of being divided into 'teams' each child's class will be their 'team'. Each class/team is color coded for supervision and

general FUN! Please be aware of your child(ren) class colours and dress your child in a T-shirt of the same color on this day. Room/team colours are as follows:

Room 1 - Orange

Room 2 - Red

Room 3 - Green

Room 4 - Blue

Room 5 - Purple

Activities planned are face painting, Butterfield Acre's Petting zoo, astro-bouncers We will be having a BBQ picnic for lunch.

On October 14 & 15 ICDC's charity casino volunteer nights at Cowboy's Casino will be happening. Every family is required to cover one volunteer shift, as stated in the Parent Orientation Manual, for this vital fundraising effort. The casino provides approximately \$70,000 to ICDC. This is used for rent and groceries for the centre. More information will be available soon

about the positions and times of the shifts. If you have any questions, please contact Rob Schultz at: schultzrob@hotmail.com.

**Program Good-byes**

---

We wish all our graduating children and their families a smooth transition to "school life" in the coming weeks and/or months. It's been wonderful sharing your child with you. We trust that ICDC and our staff have played a positive role in your child's development as a learner. Good Luck my friends! We will miss you! Visit often!
