

Weather Appropriate Clothing

With Fall leaves beginning to make their way to the ground, we remind all parents that seasonal outdoor clothing should be changing. This is to accommodate the cooler mornings and even cooler late afternoons when the children are outdoors. Please replace sweaters with Fall weight jackets and provide a warm hat that covers small ears protecting them from the cold. Light weight, waterproof mittens would also be appreciated. The labelling of your child's personal items assists us in making sure your child is wearing the correct outerwear. We appreciate all the efforts made to ensure this happens for your child.

Parent/Teacher Fall Conferences October 3 & 4

Please ensure you take the opportunity to sign up for your parent teacher conferences in your child's classroom. This Fall meeting is an informal meet and greet with your child's teachers. The Ages & Stages Questionnaire will be distributed to parents. Meetings will be held over one/ two nights (depending on the classroom). Come with your questions as together we plan our school year with your input and ideas. Spaces fill quickly so be prompt for best selection.

Atelier Open House October 3 & 4 From 6 to 8pm

Don't forget to stop by the Atelier before or after you scheduled conference to have a look around the Atelier. Niamh will have some current documentation on hand and some materials on display. She will also be on hand to answer any questions you may have regarding this space.

Applesauce Making October 4th

The children will assist in peeling the apples collected, hopefully from the trees across the street, and turning them into delicious but tart applesauce. This seasonal treat can be shared on Thanksgiving with their families. We would request that parents provide a baby food sized jar for each of their children attending ICDC. Jars can be dropped off in their classes by the morning of October 1st. We are hoping that each child will be able to recount their experiences making "their own" applesauce with your families at Thanksgiving.

Thanksgiving Closure October 8

Reminder, ICDC will be closed Monday October 8 for the Thanksgiving holiday. We ask that if you are planning to make it an extra long weekend that you advise your child's teachers. This will allow us to staff the program accordingly, as some of our staff are visiting their family members out of the city. Thank you for your cooperation. Have a safe and happy Thanksgiving. Gobble, Gobble!

ICDC AGM October 23 at 5:30pm

This date marks the Annual General Meeting of all members of Inglewood Child Development Centre. As parents you are members of this society and we hope that you might attend this important meeting. This evening will see current Executive members provide reports to the members regarding operations during the past fiscal period. This meeting will also be used to elect new Board members for the new fiscal period. Members who may be interested in joining the ICDC Board are requested to reference the Board letter currently posted in the main hallway for information regarding the submission of your application letter of intent to the Board of Directors. This information was also shared at the Parent Orientation Workshop that was held of September 22nd.

Questions regarding this process can be directed to either Jody or Board President Sandy Kennedy.

Casino Days October 14 & 15

Cowboys Casio (421 12 Ave SE). A schedule with all previously selected shifts was sent in a google document provided by our Treasurer Rob Schultz. Please ensure you have noted your shift times and arrive at least 15 minutes early. To ensure a smooth transition to the next shift. It is important that ALL shifts are covered. Failure to do so will result in a financial penalty being applied to our portion of the pool as well as our ability to host another casino. The result of both these consequences would be devastating to our program and would threaten the long term viability of our beloved centre both now and in the future. Please honour your commitment to ICDC. Any questions can be directed to our Treasure Rob Schultz.

Picture Day October 3rd

A thrilling day at ICDC! Our long term and totally awesome photographer Lilli, will be onsite this morning beginning at 8:30am to take individual photos of all the children whose parents have signed up for this service. Sign up sheets will be posted in each classroom. Class photos will be taken regardless of parent authorization. If you sign up with siblings they will have both individual and sibling photos taken. Please ensure that your child is dressed as you see fit for this activity and please know that we will change your children from their "good clothes" into their everyday wear following the photo sessions as per your request.

Halloween Party! October 31st

Wednesday October 31st children are invited to wear their costumes. They will be having classroom parties so look for more information

regarding your child's specific room in their class. The children will also be doing a costume parade through the centre to show off their costumes to the other classes. A friendly reminder

A friendly reminder regarding Halloween treats/candy. Please keep it at home or in your car to save for the ride home. It is not appropriate for the centre.

General Reminders

ICDC MAIN OFFICE - The main office has now officially been moved downstairs in Room 1, across from the doctor's office. Please remember to ring the door bell as this space is kept locked for security reasons.

PARENT FOOTWEAR- Please remove all outdoor footwear when entering ICDC, we try to provide a clean and sanitary environment for your children. By removing your outdoor footwear we keep unwanted moisture, mud and dirt off our floors, where our children love to play. Thank you for your cooperation.

SIGNING IN/ SIGNING OUT- This is truly the most important job a parent has each day. By signing your child in and out each day you are assisting our teachers in ensuring that accurate ratios are maintained throughout the busy morning and afternoon transition times. This is a licensing requirement.
