Thank you!

ICDC would like to say a special thank you to the anonymous donor who donated the Antsy Pants vehicle building kits from Indigo. The kids have loved playing with and building each kit!

Outdoor clothing reminder

The sun is finally starting to shine more and more each day, and summer weather is finally approaching! With that comes a few more things to pack for your child's day at the center. Please remember to bring: **sunscreen, swimsuit, hat, towel, bug repellent (optional), swim bag, sunglasses, and water shoes or closed-toe sandals that can get wet.**

Outside or not? How air quality affects outdoor time

Please keep in mind that although we are at the start of summer and outdoor play is more common with good weather, we have to consider the air quality.

Due to the fires up north and the frequent fires from the west later on in the summer, children may not be given the chance to play outside. The decision to go out or not will be based on the air quality index at the time.

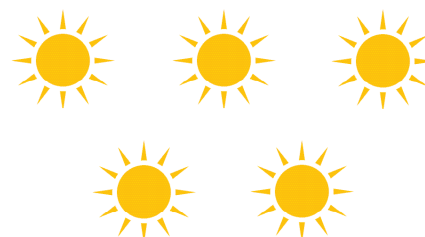

For more information please see our Parent Handbook.

Late arrivals and summer vacations

Please keep us informed if your child will not be attending due to a summer vacation. This way we will not be expecting the child and it will cause less stress for everyone – including you!

Outdoor atelier space

We are happy to announce that we will be adding an outdoor atelier space this summer. (This means that children will not only get atelier time inside, but will get to play with artistic and creative materials during outdoor play time as well.) This will not be a scheduled time like the indoor atelier.

Farewell, Lila

Unfortunately later this month we will be losing a member of our staff – Lila. She will be moving to Winnipeg with her family for some exciting new career opportunities. So bittersweet. Best of luck, Lila! We will miss you!

2019 family carnival!

This is a friendly reminder that our family carnival will be held on **Friday, June 21st from 3:30-5:30pm**. Parents are invited to join in on the activities this year to make for a great kick-off to summer! See your classrooms for details of room team colours. Some activities include face painting and a bouncy castle! There will also be some summertime snacks.

If you are interested in volunteering please contact Tami via HiMama or email.
